

Flute

Private Teachers

Private lessons are a great way to get a head start on your instrument! Students who take private lessons get personalized one-on-one attention, and make great progress on their instrument. Consider taking private lessons to supplement the growth that your child will make during band!

Recommended Brands: Gemeinhardt, Yamaha

Musical instruments should be purchased from stores that specialize in musical instruments. Although you may see instruments at what seem like great prices at Walmart or online, these instruments are usually of very poor quality and are not likely to last, which will not set your child up for success.

If you already have an instrument, take it to the local music store to make sure it's in good working order before band starts!

Supplies You'll Need

Flute Cleaning Rod and Cloth Wire Music Stand

Your flute should come with a cleaning rod. Use a clean cotton cloth or handkerchief. Tie the cloth **OUTSIDE** your case when you are not using it.

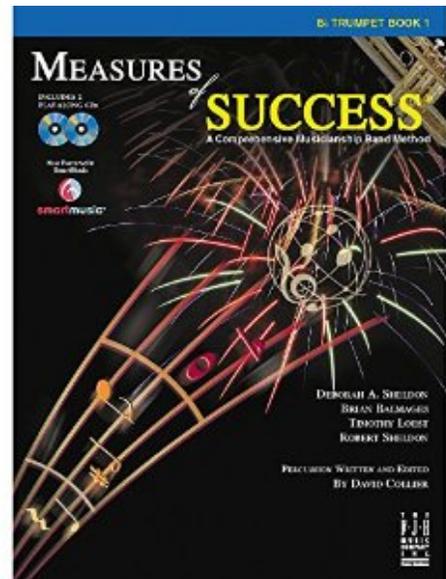

Nametag For Your Case

You'd be amazed how all flute cases look alike! Make sure your case is easily distinguished. Put your name and phone number on your nametag, just in case it gets misplaced.

Measures of Success Book 1

This is the band book we use in sixth grade band. Students will write in it, so they each need their own copy. Speaking of writing...

Pencil

You'll need a pencil in band every day!
